Minimum total cost	\$745	\$925	\$1,045	\$1,249
	(when you pay by direct debit) (Modem Charges not included)			

Service availability

Service not available to all areas, site addresses or customers. The broadband service offered will be determined by what is available at your location. We will contact you if all your services can't be connected. There may be technical or commercial reasons that affect our ability to connect a service at your address. To check your serviceability and find out what kind Novel broadband is available at your address visit noveltelecom.com.au/products-solutions/nbn-data-plan

Hardware needs

You need a compatible nbn modem to use this service. The modem must be a Novel Telecom approved device. You can purchase a pre-configured modem from us (sold separately - \$149).

NBN™ network speeds

For customers connecting on FTTN, FTTB and FTTC maximum line speeds will be confirmed after activation. Typical Evening Speeds/Typical Busy Period Speeds are based on customer averages and are not a guaranteed minimum.

Installation

Novel Telecom reserves the right to charge for non-standard installations. You must obtain permission from the owner of the property. To have Novel broadband installed, you must have someone over 18 years of age in attendance at the appointment. For NBN™ services, if you are in a new development and not already connected to NBN™, NBN co might charge you \$300 to connect your premises to the NBN™. If applicable, we will bill that charge to you.

Information about pricing

See the table at the start of this summary for your plan pricing and minimum monthly charge. Monthly charges are paid in advance and any charges not included in your plan will appear on your next bill after they are incurred

Plan Changes

You can change your plan to an eligible Fixed Broadband plan (if available) once per billing month

Billing

On the same day of each month, you will be billed in advance for the minimum charge, as well as for use during the month. The figures in this Critical Information Summary are for a full billing cycle

Non-Direct Debit fee

A \$5 fee will be charged each month if you choose not to pay your bill by direct debit. To set up direct debit, contact customer service on 1300 317 517

Paper invoice fee

A \$2.50 paper invoice fee will be charged each month if you choose to receive a paper bill. To request an email bill, contact customer service

Payment processing fee

If you pay by BPAY or direct debit from a bank account, there are no processing fees. A 2.6% processing fee applies to non-direct debit payments made by VISA or Master Card and a 4.4% fee for payments made by AMEX or Diners Club

Other Information

Fair use policy

You must comply with our Fair Use Policy and not use your services in an unreasonable or fraudulent manner or in a way that detrimentally interferes with the integrity of the network. We may take action if you breach the Fair Use Policy, including suspending or cancelling your service

Power Outage

Your nbn service needs mains power to work, so if the power goes out, you won't be able to use your nbn service (including to make and receive calls). If you need an uninterrupted phone service we recommend that you have another service, like a mobile, and if you have a back to base alarm system we recommend you speak to your monitoring service provider about mobile backup before you move across to the nbn network

Tracking your usage

You can monitor your usage by calling our customer service on 1300 317 517

Enquiries, feedback and complaints

We are committed to providing you with an exceptional service. You can call us on 1300 317 517 between 10am – 06:30pm AEST for assistance on your account balance, usage status, payment details, if you wish to make a complaint or any other information. Alternatively, you can also send an email to info@noveltelecom.com.au

Telecommunications Industry Ombudsman

We encourage you to always contact us first if you experience any problem or are unhappy with the service. We will make every attempt to resolve your issue during our first contact. However, if you are not happy with the outcome you can contact the Telecommunications Industry Ombudsman by phone on 1800 062 058 or visit tio.com.au/about-us/contact-us for an independent investigation
